Re: Cancellation of November 14, 2019 Board Meeting

The scheduled November 7, 2019 Board meeting had to be rescheduled to November 14 to achieve a quorum. After rescheduling, a quorum for the reschedule meeting was lost. The meeting was cancelled due to the short amount of time between the rescheduled meeting and the next scheduled meeting.

A copy of the public notice – posted at the school and on the school’s website – accompanies this memo.

The next scheduled Board meeting is Thursday, December 5 at 12:00 p.m.

Respectfully submitted,

Dr. William Kennelly
Board President
